

THE ASSOCIATION

The Swiss Association for Compliance and Competition Law (ACCL) is an association that organizes regular events and projects for its members, in the areas of competition law, competition economics and policy.

AWARD

The association annually honors the most outstanding bachelor or master thesis in the area of competition law or competition economics, with an award.

THE BENEFITS

Members of the ACCL can profit from a variety of special offers on events in the areas of competition law, economics and policy:

Competition Law Update | Free (Company membership: max. 4 people per event)

The most important subjects surrounding national and international competition law and antitrust compliance, summarized for company lawyers.

Ateliers de la Concurrence | Free

The leading conference series for sector representatives, authorities and politicians in the areas of competition policy and competition law.

CAS International Competition Law and Compliance | 25% Discount

An advanced study program for professionals to develop and familiarize themselves with the technical, procedural and practical aspects of antitrust law and antitrust law compliance.

Excellence in Compliance | 25% Discount

A workshop series for in-house lawyers to support the industry-oriented development and handling of effective and comprehensive compliance.
